ORDER:

In the reference 1st read above, the National Highways Authority of India has requested the Government of Andhra Pradesh to see that the APTRANSCO provides deemed availability certificate as being done in the case of Power Grid lines, or else to see that the APTRANSCO reduces the Shutdown Charges and demand the same as per the actual, after shifting work / shutdown is completed and waive off the requirement of submission of Performance Security Bank Guarantee as the same has already been submitted by the Concessionaire to NHAI for the whole work, including shifting of APTRANSCO lines.

2. Government, after careful examination of the matter have accorded approval and issued orders accordingly vide reference (2) cited. Now, on further examination of the matter, Government thereby issue the following amendments to the said G.O:-

(1). Shutdown charges: -

Shutdown charges for the relocation of APTRANSCO Extra High Tension (EHT) lines in NHAI projects are waived and exempted. Further, if there is any interruption to lines connected to the Private Power Generator on account of the relocation process, NHAI shall pay applicable shutdown charges.

(2). Performance Security Bank Guarantee:-

10% of gross estimated value of works for a minimum period of 12 months from the date of commissioning of the project with 2 months claim period thereafter as counter guarantee for executed works is exempted.

However, M/s. NHAI has to provide an undertaking for the executed works, stating that in the event of any issues arising regarding the quality of the works or materials at a later stage, particularly after the charging of lines, M/s. NHAI shall assume full responsibility and undertake the necessary rectifications.

3. The Chairman & Managing Director, APTRANSCO, Vijayawada shall take further necessary action accordingly.
